

## CLASS REPRESENTATIVE PROGRAM SIGN-UP FORM

### What is a Class Rep?

A vital link in the Student Representative Council's information chain. The role of a Class Representative is to act as a liaison between the SRC and the students. The SRC has important information that needs to be conveyed to the students ... and the students have essential feedback that the SRC needs to ensure that it is effectively representing its members, allowing it and the college to provide students with the services and activities they require and desire.

### What does a Class Rep do?

Each Class Representative is required to attend a monthly meeting scheduled by the SRC Vice-President of Student Affairs. Monthly meetings are an opportunity to voice classmates' concerns, opinions, ideas, and suggestions regarding college operations and social events. These meetings also give the Class Rep an opportunity to learn about the events and activities happening on campus, and, most importantly, to relay that information back to their classmates.
