All clubs are invited to set up a table in the alcoves at South Campus OR the SCCA lobby downtown to showcase their efforts and what they aim to accomplish for the upcoming school year at any time (subject to availability).

---

## STUDENT CLUBS

---

The SRC ratifies clubs who are predominantly academic based.

All clubs are student driven and volunteer run and operate on a non-profit basis. All SCC students should have the opportunity to connect with other students and share similar interests; starting or joining a club is the perfect opportunity to do so. Running a club has proven to be a wonderful learning opportunity!

It is extremely important that all club executives familiarize themselves with this manual and SRC club policies and procedures. It is the Club Coordinator's expectation that the executives uphold these guidelines. Any questions or concerns regarding this document can be directed to the Club Coordinator.

If you're interested in starting a new club on campus that fits within the policy and guidelines approved by SRC Inc., your first step is to read the club manual and fill out the ratification paperwork and submit it to the Club Coordinator for approval.

### FACULTY ADVISOR

All clubs are required to have a faculty advisor. The faculty advisor serves the roll of advisor, to over-see club meetings, club decisions and be a liaison for the club within the College.

Your faculty advisor should be available to help you calculate risk and support your club. Faculty advisors are there to assist, they are in no way to have full control over the club.

# RISK MANAGEMENT

Risk management is defined as “the process of analyzing exposure to risk and determining how to best handle such exposure”

Risk Assessment forms accompany all event request forms to assist clubs in identifying potential risks both on and off campus.

## WAIVER FORMS

SRC provides waiver forms to any student club that will be hosting events for its membership that will fit into one of the categories below:

Transportation of people

Events & activities funded by the SRC

Sporting / physical activity

Alcohol event

The waivers SRC provides to student clubs dictates that upon signing the form the student is ‘releasing liability, waiving all possible claims and assumptions of risk’.

**A club is not an agent or representative of SRC and therefore has no authority to act on behalf of SRC and its views and actions in no way represent SRC.**

# CLUB BANKING

All club banking is to be administered through SRC, no off-site bank accounts are allowed.

Cheques being made out to your club for sponsorship, etc. need to be made out to 'St. Clair SRC-Clubs' with the club name in cheque memo. A club can request an account balance from the SRC at any time. The form can be found on our website or in office.

## WITHDRAWALS

Any time a club member wants to withdraw funds from their bank account they must first receive approval from a majority of the club's members & have the approval noted in the meeting minutes, through a virtual poll etc. The purchasing member can then fill out a **cheque request form** to receive a cash advance or reimbursement for the purchase. To complete a cheque request form you will need two club executives and the faculty advisor to sign the form as well as, proof of purchase (invoice or receipt). The completed form should be submitted to the SRC office or Club Coordinator to process.

**Cheque requests should be submitted to the SRC office 1-2 weeks after the purchase and no later than the last day of the semester in which the purchase was made.**

This form can also be used for any sponsorships that the club receives. Please note the SRC cannot provide tax receipts in exchange for club sponsorships.

# CLUB RATIFICATION & STUDENT LIFE FUNDING

---

## SRC WANTS TO GIVE YOU MONEY!

SRC allots a certain amount of funding each year to assist clubs with their events and initiatives. Clubs can apply for ratification funding three times a year but must remain active in order to receive these funds. The following dates are ratification deadlines:

### 2024 Fall Semester

OCT 4	OCT 11	OCT 18
\$500	\$300	\$250

### 2025 Winter Semester

FEB 7	FEB 14	FEB 21
\$500	\$300	\$250

### 2025 Spring Semester

MAY 30	JUNE 6	JUNE 13
\$500	\$300	\$250

## RATIFICATION FUNDING

Clubs must ratify each semester to show the SRC that the club intends to be active. Submitting your **ratification package** on or before the three deadlines listed above will determine your funding amount. To retain this funding, the club must host a minimum of 1 event and 2 all member meetings before the last day of the semester it is awarded. If the club does not fulfill these requirements by submitting **event form(s)** prior to their events and **meeting minutes** attached to their end of **semester activity report** to the Club Coordinator, the ratification funding will be removed from the club's account. SRC reserves this right.

## STUDENT LIFE FUNDING

A **Special Event Funding request form** can be completed on our website <https://www.stclair-src.org/student-life/clubs>. The purpose of special event funding is to help subsidize large-scale events, educational travel, training for club members, conference attendance, professional speakers etc.

The SRC has specific stipulations on student life funding, as it's to be utilized by clubs to put toward delivery of events, tournaments or some form of campus activity. These events **MUST** promote St. Clair College and the club itself or provide a benefit to the majority of club members. The initiative must not be a function (for example; semi-formal, gala, awards night and/or yearbook) for which clubs should fundraise for on a regular basis.

These requests are completed online through our website, reviewed & approved or denied by the SRC Board of Directors, which can take 2-3 weeks. A club may be asked to attend a board meeting to present their proposal and answer any questions that may arise. If the club chooses not to utilize the funds for the approved purpose, these funds are to be returned to the SRC.

# EVENTS

1

Each club must hold at least one club event per semester to maintain their active status each semester.

2

An event application + risk assessment form must be submitted to the SRC prior to every club event/activity/initiative, regardless if this event takes place on or off campus. All club forms can be downloaded from our website, requested by e-mail to [srcclubs@stclaircollege.ca](mailto:srcclubs@stclaircollege.ca) or hard copies can be found in our office.

## BOOKING A SPACE

The SRC encourages all student clubs to first consider SRC locations for your events. SRC covers the room rental fee for student clubs that book our spaces for events.

### THE STUDENT LIFE CENTRE

We also encourage the use of college spaces. Some of these are; Eatery 101, St. Clair Centre for the Arts, classic gymnasium and the SportsPlex.

All SRC spaces must be booked by the Club Coordinator, no exceptions. The Club Coordinator acts as a liaison between your student club and all other departments on campus.

# EVENTS: POSTER POLICIES

---

## CONTRACTS

Club executives and/or general members may not sign contracts of any kind, no one other than the Manager of Student Experience in the SRC can sign them. If a club member does sign a contract, they are to understand that they will be held personally liable for any and all claims that may arise as a result and may put their club status in jeopardy.

The contact for the equipment renewal fund is Mike Sorrell in the office of the Vice President of Community Relations. He can be reached at [msorrell@stclaircollege.ca](mailto:msorrell@stclaircollege.ca).

# SPONSORSHIP

The SRC understands the financial opportunity that sponsorships can afford a club, and as such we support the solicitation of sponsorships, if it is within guidelines. It is imperative that clubs abide by the sponsorship guidelines detailed below; failure to do so will result in de-certification.

1. Approval from the SRC must be obtained prior to seeking sponsorship in any capacity.
2. All clubs must submit the sponsorship letter they are using to solicit sponsors to be reviewed and edited by the Club Coordinator.
3. Clubs must submit the following information prior to soliciting a sponsor:
  - i. Name of the desired sponsor
  - ii. Sponsor's relationship to the club, if any
  - iii. The name and details of the event they will be sponsoring
  - iv. The agreement being required of the sponsor and;
  - v. What the sponsor will receive in return
4. If the sponsor is providing money to the club, the cheque is to be made out to SRC Clubs with the club's name on the memo line.

In the event that the SRC does not support the sponsorship agreement, the SRC reserves the right to terminate the possible sponsorship.

# SOCIAL MEDIA

Clubs are encouraged to utilize various social media platforms to promote their club among the College and community alike.

The SRC has the right to monitor and regulate conduct and expectations of individuals associated with the SRC when expressing their personal opinions through social media and other online communications. This guideline serves to protect and maintain the reputation of the SRC.

Social media posts and websites must not negatively affect the reputation of the SRC or the college as a whole. Published materials that are insulting, demeaning or offensive to the SRC, St. Clair College, its students, club members, employees or affiliates will not be tolerated.
